

# Lenovo Tablet + LAVA LTS Hub Enterprise Ready Tablet Kiosk Solution

Plug-and-Play USB/PoE/LAN Hubs  
with Charging for Lenovo Micro USB Tablets

CHOOSE YOUR TABLET CONFIGURATION

## TECHNOLOGY HIGHLIGHTS

### SIMULTANEOUS DATA AND CHARGING

**SIMULCHARGE**

Allows mobile device to operate as a USB Host controller while simultaneously being charged.

### BATTERY PROTECTION

**CABM**

Charging and Battery Management (CABM) technology protects the tablets battery from overcharging by adjusting battery levels for maximum performance.

## LAVA LTS LENOVO TABLET CONFIGURATIONS

### UP TO 3 X USB 2.0 PORTS / ETHERNET / MULTIPLE POWER OPTIONS

#### LTS (vc)3U SimulCharge 3 x USB Hub with an optional Voltage Converter and CABM Technology

- Simultaneous data and charging
- 3 x USB-A ports for connecting accessories
- Lenovo tablet and USB accessories charging at the same time
- Charging and Battery Management technology to prolong tablet's battery lifespan

#### LTS PE SimulCharge PoE Ethernet Adapter with CABM Technology

- Simultaneous LAN and PoE charging
- 10/100 Fast Ethernet Interface
- 10.4 Watts of charging power at the same time via a single CAT5/5e/6 Ethernet cable connected to a PoE-enabled switch
- Charging and Battery Management technology to prolong tablet's battery lifespan

#### LTS (vc)E SimulCharge Ethernet Adapter with an optional Voltage Converter and CABM Technology

- Simultaneous wired network and tablet charging
- 10/100 Fast Ethernet Interface
- Enables network communication while using dynamic (DHCP) or static address
- Charging and Battery Management technology to prolong tablet's battery lifespan

#### LTS P2UE SimulCharge PoE Ethernet Adapter with CABM Technology

- Simultaneous LAN and PoE charging
- 2 x USB-A ports for connecting accessories
- 10/100 Fast Ethernet Interface
- 10.4 Watts of charging power at the same time via a single CAT5/5e/6 Ethernet cable connected to a PoE-enabled switch
- Charging and Battery Management technology to prolong tablet's battery lifespan

#### LTS (vc)2UE SimulCharge 2 x USB 2.0 and Ethernet adapter with an optional Voltage Converter and CABM Technology

- Simultaneous data and charging
- 2 x USB-A ports for connecting accessories
- 10/100 Ethernet (LAN) Network
- Lenovo tablet and USB accessories charging at the same time
- Charging and Battery Management technology to prolong tablet's battery lifespan

## CONFIGURATION COMPARISON CHART

	SIMULCHARGE	USB PORTS	ETHERNET	PoE	VOLTAGE CONVERTER	MICRO USB CHARGING
LTS (VC)3U	✓	3 x USB 2.0			OPTIONAL	N/A IN VC VERSION
LTS (VC)E	✓		✓		OPTIONAL	N/A IN VC VERSION
LTS (VC)2UE	✓	2 x USB 2.0	✓		OPTIONAL	N/A IN VC VERSION
LTS PE	✓			✓		AUXILIARY
LTS P2UE	✓	2 x USB 2.0	✓	✓		AUXILIARY
